## RV APPLIANCE CIRCUIT BOARDS

Providing the highest quality replacement boards for the RV service industry for over 20 years.

### Quality Construction

•Plated through hole construction to eliminate intermittent failures.

**Fan 50 Plus Pins:** 12 volt furnace control board works with newer fan control or upgrades older units.

### Highly Reliable

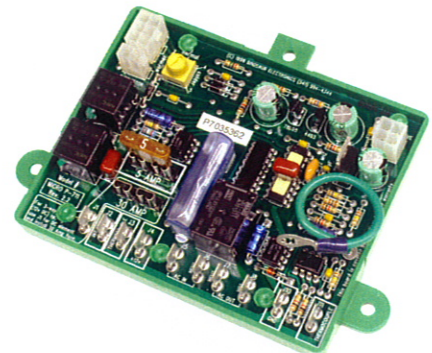

•Over 99.5% of our boards outlast their 3 year warranty.

**UIB S:** 12 volt control board for older furnaces, waterheaters, and refrigerators.

### Extremely Versatile

•Our 45 replacement boards will replace hundreds of OEM part numbers, both current and out of production models.

**Micro P-711:** Universal replacement for Dometic® control boards beginning with 293.

### 3 Year Warranty

•Dinosaur boards come with a 3 year warranty starting from the day they are installed.
